CLERK: Mr. President, LR 57 by Senator Lowell Johnson is on page 1139. It congratulates Archbishop Bergan Junior-Senior High School basketball team and congratulates them for their individual and team successes.

PRESIDENT: Thank you. Senator Lowell Johnson, please.

SENATOR L. JOHNSON: Thank you, Mr. President, and members of the Unicameral. There is a very special promotion in progress in Fremont these days and it reads something like this, "Fremont, of course." So it was natural that the results of the Class C-1 State Basketball tournament last week would also mirror that slogan. In this case we would have to alter it just a bit, however, to say, "Fremont Bergan, of course." My resolution this morning is, therefore, to recognize the Knights of Fremont Archbishop Bergan Junior-Senior High School for their 21-4 season record and the Nebraska C-1 Championship. The team lost their top scorer early in the season for at least seven games and it provided a real challenge to the rest of the team and their coaches, but rally they did, and they developed new depth and talent which persevered and which were the ingredients of the state championship winning. So, I ask you to please join me this morning in honoring the Fremont Archbishop Bergan Junior-Senior High School boys basketball team, their coaches, the student body, and staff by passing resolution 57. Thank you.
